## The Krill Co., Inc. Welcomes New Employees

*Cleveland, OH, July 25, 2018-* The Krill Co., Inc. is pleased to announce and welcome Brendan Burkholder, Assistant Project Manager, Rachel Balkovec, Project Coordinator, and Lauren Mangan, Marketing Coordinator as Krill’s newest employees. An important part of Krill’s culture is the commitment to continual learning and mentoring. Krill is happy to take this opportunity to foster growth in these three recent graduates as they begin their professional careers.

Brendan Burkholder joins fellow Falcon alumni at The Krill Co., Inc. as a recent graduate of Bowling Green University’s Construction Management Program. As an assistant - project manager, Brendan will work closely with the management team in both the field and office, providing support in estimating, scheduling, progress meetings, cost control, and communications with owners and consultants. Brendan chose The Krill Co. because *“the guidance that I will receive working with the experienced leadership at Krill will help me to grow in my career.”*

From John Carroll University, Rachel Balkovec joins The Krill Co., Inc. as a project coordinator. In this role Rachel will be responsible for the administrative and technical direction and support of the construction project. Rachel explains, *“As a Pittsburgh native, I fell in love with Cleveland during my time here and am excited to help Krill build the skyline of the place I now call my home.”*

Lauren Mangan, also a John Carroll University Graduate, is putting her business degree to use as the Marketing Coordinator for The Krill Co., Inc. Lauren will be responsible for proposal design, website upkeep, sponsorships, advertising, and business development. *“I am excited to work for Krill. The company culture allows me freedom and autonomy to handle all of the marketing activities for a company that I am proud to promote.”*

*“This is an exciting time at Krill as we blend talented entry level staff with our senior management team to nurture and grow the next generation of our company. As a testimony to our culture and philosophy we believe in developing the Krill family success from within.”* - CEO and Co-Owner, Jeff Gliebe.

*Since 1932, The Krill Co., Inc. has been building and renovating the landscape of Ohio. The expertise Krill delivers in Construction Management, General Contracting and Design-Build services is highly regarded and repetitively sought by Ohio’s leading corporations and institutions.*
